COMPENSATION OF EVENTING TECHNICAL DELEGATES 2007

As approved by the General Assembly in April 2005, on proposal of the FEI Bureau/Eventing Committee, a fixed rate of **CHF 1'500.-** will be paid to all Eventing Technical Delegates functioning in **CCI & CIC events of 3* & 4* level as well as for all Eventing championship**, as of 1 January 2006.

The FEI will pay this amount to the TDs once all report forms have been received, and then the FEI will invoice this amount to the NF/OC, together with the Organising dues.

However it is understood that this will have an impact on Eventing Organisers and the procedure will be reviewed mid 2007.
